

Broadband Session

We can check ENT BB clients current session ,usage and session history in INVETUM portal.

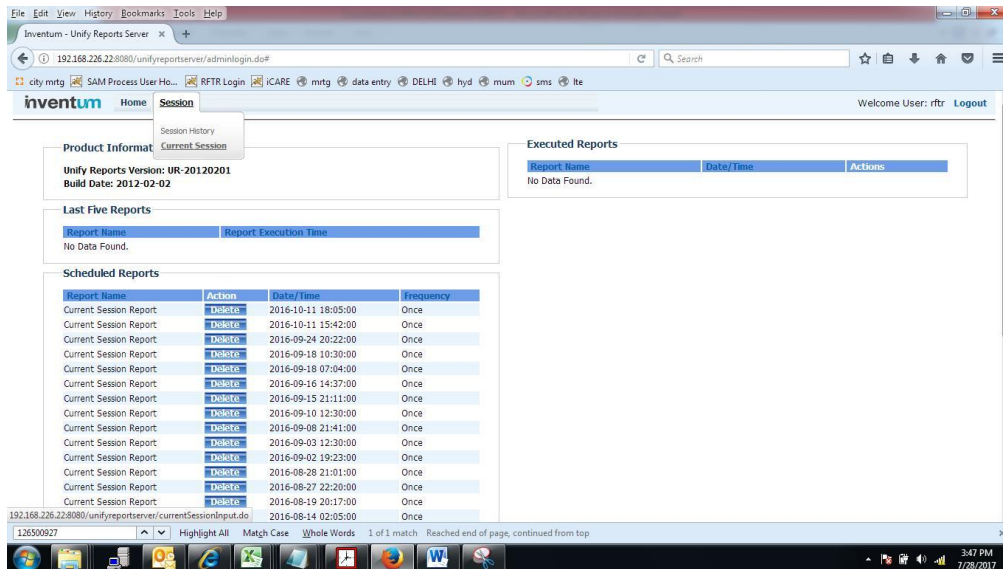

We have 3 links Delhi, Hyderabad and Mumbai.

The screenshot shows a web browser window with the address bar displaying `192.168.226.22:8080/unifyreportserver/adminlogin.do`. The browser's tab bar includes several open tabs: "city mrtg", "SAM Process User Ho...", "RFTR Login", "iCARE", "mrtg", "data entry", "DELHI", "hyd", "mum", "sms", and "lte". The main content area displays the "inventum UNIFY - MIS" login interface. The interface includes a message "Invalid Credential Provided" in the top right corner. The login form contains the following fields and controls:

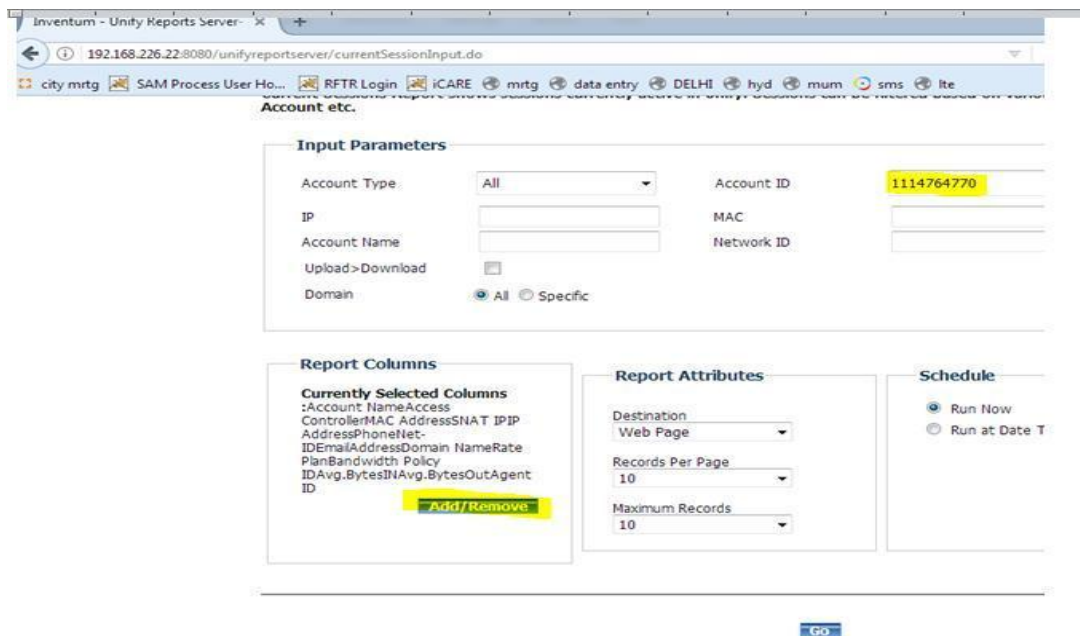

- User Name:** A text input field containing the value "rftr".
- Password:** A password input field with masked characters (dots).
- Domain:** A text input field containing the value "admin".
- Location:** A dropdown menu currently showing "Select Location".
- Remember Me:** A checkbox that is currently unchecked.
- Login:** A button to submit the login credentials.
- Reset:** A button to reset the login form.

At the bottom right of the login form, there is a copyright notice: "© Inventum Technologies All rights reserved."

After login into portal select option for “current session” or “Session history” of client.

Enter user ID and click on Add /Remove .

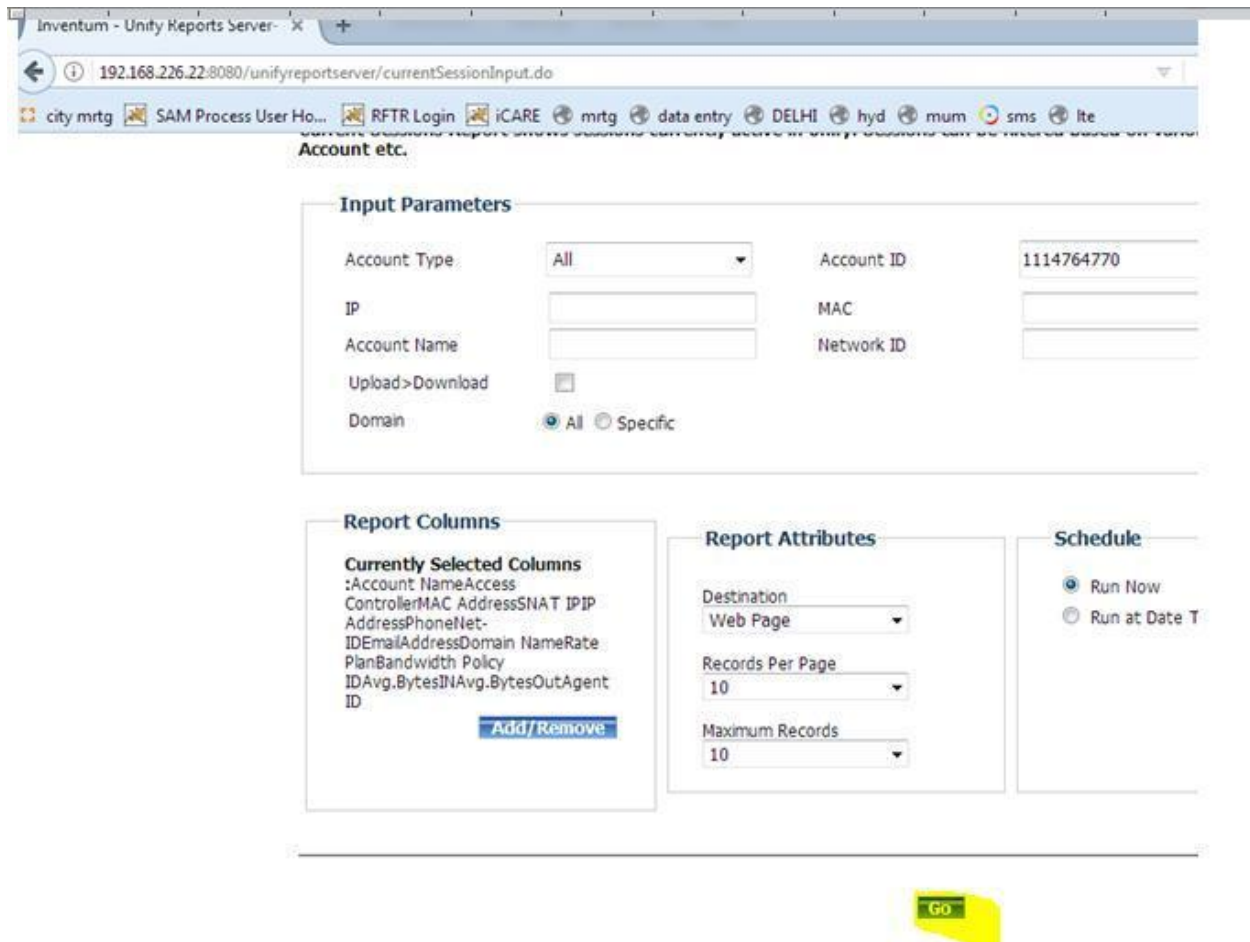

Then select “Add all” and click on select

The screenshot shows a web browser window with the URL `192.168.226.22:8080/unifyreportserver/currentSessionInput.do`. The browser's address bar and tabs are visible. The page title is "Inventum - Unify Reports Server". The main content area displays the "Current Sessions" report. A modal dialog is open, showing a list of items with the following columns: "Add all", "15 items selected", and "Remove all". The list includes the following items:

Account Name
Access Controller
MAC Address
SNAT IP
IP Address
Phone
Net-ID

Below the list, there are "Select" and "Cancel" buttons. To the right of the modal, there is a search bar with the text "1114764770" and a "Search" button. Below the search bar, there are two input fields. Further down, there is a "Schedule" section with two radio buttons: "Run Now" (selected) and "Run at Date Time". At the bottom, there are two dropdown menus: "Records Per Page" (set to 10) and "Maximum Records" (set to 10).

Next click on “GO”

Maximum Records: 10

Select Add/ Remove option.

The screenshot shows the 'Session History' configuration page. At the top, there's a navigation bar with links like 'city mrtg', 'SAM Process User Ho...', 'RFTTR Login', 'iCARE', 'mrtg', 'data entry', 'DELHI', 'hyd', 'mum', 'sms', and 'lte'. Below this is a search bar and a 'Session History' title. A descriptive paragraph states: 'Session History Report provides details of all the sessions for all or selected accounts. Details include Account Name, Account ID, Session ID, Phone, Email, IP Address, SNAT IP, MAC Address, Start Time, Last Update, Duration and Bytes consumption for all or specified domains in a specified date range. User can specify the account types (All, Advance Paid, Pre-paid and Post paid).' The main configuration area is divided into three sections: 'Input Parameters', 'Report Columns', and 'Report Attributes'. 'Input Parameters' includes fields for 'Show By' (Date Range selected), 'Start Date' (2017-07-24 00:00), 'End Date' (2017-07-31 17:06), 'Account Type' (All), 'Account ID' (1120405451), 'Coupon ID', and 'Domain' (All selected). 'Report Columns' has a yellow 'Add/Remove' button. 'Report Attributes' includes 'Destination' (Web Page), 'Records Per Page' (10), and 'Maximum Records' (All). A 'Schedule' section on the right has 'Run Now' selected.

Session History

Session History Report provides details of all the sessions for all or selected accounts. Details include Account Name, Account ID, Session ID, Phone, Email, IP Address, SNAT IP, MAC Address, Start Time, Last Update, Duration and Bytes consumption for all or specified domains in a specified date range. User can specify the account types (All, Advance Paid, Pre-paid and Post paid).
